CORE INVESTMENT STRATEGY

B2B Technology Focus

Companies with a technological competitive advantage that creates barriers to entry

Profitable Growth Buyouts

Control buyouts as the lead institutional investor of scalable, cash flow positive businesses with meaningful founder / management alignment of interest

Predictable Revenue

Tech-enabled services or software businesses with recurring and/or re-occurring revenue

Break-Out Potential

Opportunity to be a leading player in a niche and/or focused growing market through both organic growth and strategic or transformational M&A

Geographic Edge

Established and reputable North American presence with proven Canadian advantage and global reach through M&A
